WHY I BELIEVE THE BIBLE IS TRUE

DR. Buswell, Pres. Wheaton College.

Romans, Chapter 10.

There are three reasons why I believe the Bible is true.

- 1-- Because my father & mother told me so.
- 2-- I found it to be true.
- 3-- I have never found it untrue.

The Bible is vindicated, proven to be the Word of God. The Bible is one book, one plan, one purpose, one way of salvation. The unity of the Bible proves its inspiration, & it is what it claims to be-the Word of God.

In I Corinthians, Paul said the Jews did not understand the scriptures, but a veil was over their eyes. Man did not understand the atonement, but when the heart turns to the Lord, the veil is taken away. Vs.3--Have not submitted these to justification by faith. Rom. 3: 21, Verse 4 on he demonstrates the unity of the Bible. This may have two meanings. Christ has put an end to the law of legalistic? Righteous to all who believe in Him.

*I suspect "belief" should be here or "salvation"*

The sin of Israel before the Babylonian captivity was idolatry. After the captivity, it was idolatry of the scriptures. Another meaning, Christ is the end of the law, or Christ is the purpose of the law to those who believe. Christ is the goal. This is elaborated in 3rd chapter of Galatians. But the purpose of the law is to lead us to Christ. This interpretation is in harmony with grammar. Christ is the purpose of the law. The law was never intended to save, but to drive us to Christ. In vs. 5, Paul quotes Moses twice, in chapter 6, he quotes him once for justification by faith, righteousness by law, "by them" should be "in them". "In" here is equal to "by means of."

"In the spirit of my sword", Gal. 3:12, & in Leviticus 18:5. "in" is the same word. The man shall live in them. Moses never said anyone would have

These are great days.

*Science has done wonders.*

*It now witnesses to the supremacy of the Book  
of Books.*

*Destructive critics stand baffled in the presence of  
uncontrovertible facts.*

*The Bible has come out of the age of doubt and  
criticism greater than ever.*

*Science, that the critics claimed pushed the Bible off  
its pedestal, now becomes a mighty witness to its  
majesty and Supernatural Authorship.*

*The Hour of Divine Truth has struck.*

*Away with doubt and fear!*

*Clasp the dear Old Book anew to your heart!*

*Spend no more time in vain talk about Fundamental-  
ism or Modernism.*

*FULL STEAM AHEAD in reading and mastering  
and feeding upon*

**The World's Greatest Book—**

***The Blessed BIBLE!***

When I was a school boy of 10 years or so in Charleroi, Pa., and I heard the teacher read the Bible, I would wish that someone would give me proof that the Bible was true. The golden rule Jesus gave, and it is wonderful, is, "Do unto others as you would have them do to you." That is why I am having this leaflet reprinted. I was forty years old before I ever saw such good proof in so few words.

**TWENTY-ONE REASONS WHY  
WE KNOW**

**THE BIBLE IS A SUPERNATURAL BOOK**

**FIRST**

**IT is Astronomically Correct**

We now have telescopes through which we can read ordinary print 25 miles distant. Such powerful glasses knock holes in false systems of the past.

During the centuries the Bible was being written many works on astronomy were also being written. Great havoc has been made with all ancient systems by the telescope and spectroscope. Not so with the BIBLE. It is astronomically correct.
